UNIVERSITÀ DEGLI STUDI DI BRESCIA

**Master Program in Analytics and Data Science for Economics and Management**

# ACADEMIC STUDIES FORM TO VERIFY ADMISSION REQUIREMENTS (MANDATORY)

Please read the following instructions before filling out the form:

1. Be sure that the program indicated below is the one you want to enroll in.
2. Filling it out with all the relevant information and uploading the form is mandatory for all applicants.
3. If you upload an empty form, your application will be rejected.
4. For each area of study indicated in the form, list the title of all the relevant courses you passed in your undergraduate program. If you also passed relevant courses in a postgraduate program, you can add them to the list. For each of these courses, indicate the total hours of study (according to the syllabus), the number of credits (if available), and if the course belongs to a *undergraduate* (U) or *postgraduate* (P) program.

**Laurea magistrale (postgraduate) program to apply:** Analytics and Data Science for Economics and Management (ADSEM)

**NAME / SURNAME:** Samuel Terefe Areficho **E-MAIL ADDRESS:** samuelareficho68@gmail.com

| Area of Study | Course Title | Hours of Study | Credits (If available) | Undegraduate (U) or Postgraduate (P) |
|---|---|---|---|---|
| Mathematics, Statistics, Econometrics, Computer Science, Physics | **1.** Mathematics for Natural Science | 80 | 5 | U |
| | **2.** Probability and Statistics | 80 | 5 | U |
| | **3.** Data Structure and Algorithms | 80 | 5 | U |

| | | | | |
|---|---|---|---|---|
| | **4.** Fundamentals of Database Systems | 80 | 5 | U |
| | **5.** Fundamental of Machine Learning | 80 | 5 | U |
| | **6.** Fundamentals of Artificial Intelligence | 80 | 5 | U |
